

March 24-26, 2017

Hosted by

The Messa Mustangs

at

**Union College's Messa Rink
Schenectady, NY**

We are cordially inviting you to participate in our **11th Annual Stick It to Brain Tumors Benefit Tournament!**

Our goal in 2017 is the same as past years:

- **Have Fun.**
- **Raise Awareness Of Brain Tumors (Cancer).**
- **Raise More Money for Brain Tumor Research.**

The effects of brain tumors can be devastating because they are located at the control center for thought, emotion, and movement. In many cases, brain tumor survivors live with physical and/or psychological disabilities. We don't even know the causes of brain tumors! Unfortunately, brain tumor cancer research is one of the most under-funded areas of cancer research in this country. Of the ten priority areas for research, brain tumors come in at the bottom for funding.

We have raised over \$200,000 in our ten tournaments! We greatly appreciate the support of all the teams and individuals that participated to make it such a successful event!!

All proceeds are donated to the **Pediatric Brain Tumor Foundation & Johns Hopkins Research Hospital.**

We will have the Wall of Courage again this year.

If you would like to add a name in Memory Of or in Honor Of, please include their name(s) and which Wall in the email by March 1. If you would like to include the type of cancer, we will include that on the Wall.

We look forward to seeing you in March 2017.

New for 2017 -

Teams will need to complete the attached Team Roster and Code of Conduct Form. USA Hockey Code of Conduct for Players can be found on the USA Hockey Website -

<http://www.usahockeyrulebook.com/page/show/1015129-codes-of-conduct>
